A tender, loving note -
 "Thank you for your love, friendship and lots of fun memories! We have laughed & cried together! I will be retiring as of May 1, and my last Sr Meeting will be in April. My 12 years have been so blessed by you all, and I consider you the treasures of our township! Now, I look forward to what God has next for me and my family! Brenda

The Inn is best known for the Indiana Artists who lived here from 1898 thru early 1900s, T.C. Steele and J. Otis Adams. Uniqueness is the age--c.1835, 19 room house, large veranda, history, art and antiques. The Inn is very homey and comfortable.
