

**Crosby Township  
Special Public Meeting  
Ball Field and Shelter Plans/Strickers Grove  
February 18, 2008**

The meeting was called to order by Mr. Dole, second by Mr. Strunk at 6:35pm.

Present: Chris Dole, Warren Strunk, Jim Niehaus and Kim Downey.

**Ball Field and Shelter Plans**

1. The plans for the Ball field and Shelter projects, provided by JMA Consultants, were reviewed. Mr. Niehaus made one suggestion that the backstop be made of aluminized steel. The plans currently give the option for either aluminized or galvanized. Mr. Dole made a motion to accept the plans, second by Mr. Strunk. All voted yes.
2. Mr. Niehaus made a motion to allow JMA Consultants to begin the bidding process, second by Mr. Strunk. All voted yes.

**Strickers Grove**

1. The planning for Crosby Day was discussed.
  - The cost will remain at \$2.
  - There will be entertainment in the shelter area throughout the day, possibly having a “Featured Band” and something for the kids while the rides are closed. We will ask Crossway Community Church to provide their sound system.
  - The ball game versus the Red Stockings will take place in the field at 4pm and we have requested the game be limited to 1 ½ hours. We will make a request to Strickers about getting some chairs.
  - We would like to have someone Emcee the event this year – to talk about the Township, upcoming events and announce door prizes. We have plenty of door prizes already, so there is no need to contact businesses this year.
  - We will advertise in the Around Town section of the Harrison press, send flyers home through Crosby Elementary and put the signs out as usual.
  - Kim will make the contacts for the Corn Hole Tournament, the entertainment, the booths and the T-shirts for the ball team.

Mr. Dole made a motion to adjourn the meeting, second by Mr. Strunk. Time: 7:35pm
