"Happy Mother's Day"

*means more
Than have a happy day.
Within those words lie lots
of things
We never get to say.
It means I love you first of
all,
Then thanks for all you do.
It means you mean a lot to
me,
And that I honor you.
But most of all, I guess it
means
That I am thinking of
Your happiness on this,
your day,
With pleasure and with love.*
