

We need your help!

Can you sew?
Can you knit or crochet?

Quilt kits are available!

All quilts are donated to the Ronald McDonald House and the Pregnancy Care Centers in Harrison and Lawrenceburg.

Patterns are also available to make hats, blankets and other items.

Kits are free, you can take them home, work on them and then return the finished product.

The quilts are incentives to get medical care for mother and child as well as training for both parents. Grants were received from TRIVENT, the Lutheran Insurance Company and the DEARBORN COUNCIL YOUTH PROGRAM to get supplies for this project.
